RESPONSE TO NOTICE OF ALLOWANCE

In response to the Notice of Allowance mailed October 15, 2008, enclosed is the completed issue fee transmittal form PTOL-85b. The fee of \$1055 for the required issue fee and publication fee is being paid concurrently herewith on the Electronic Filing System (EFS) by way of Deposit Account authorization.

The undersigned representative thanks the examiner for the courtesy of the telephonic interviews held on September 29, 2008 and September 30, 2008. The substance of the interview included a discussion of claims 166 and 111. During the first interview, the examiner pointed out that the amendment presented on July 22, 2008 was non-compliant because newly-added claim 166 was inserted between previously presented claims; the undersigned authorized the examiner to cancel claim 166. During the second interview, the examiner discussed a proposed amendment to claim 111; the undersigned also authorized the proposed amendment.

There are other grounds for patentability of the claims than the ground given by the examiner in the notice of allowance.
